

Credit Analyst

WTSB has an immediate opening for a Credit Analyst. The position is located at our Walcott branch and comes with a full benefit package.

The position is responsible for drafting credit write-ups for commercial lending. The candidate will be responsible for inputting financial reports to analysis software, preparing financial analysis, and conducting credit investigations. The position also provides assistance with maintaining loan requirements, loan portfolio monitoring and loan portfolio reporting. The candidate should have a Bachelor's degree with an emphasis in a business related field from a four-year college or university; or a related certificate program; or an equivalent combination of education and related experience including financial statement analysis. In addition, strong customer service skills, verbal skills, and written skills are required. The candidate should have an understanding of Microsoft Office, Excel, Word, and Outlook in order to perform the job duties. Knowledge of Fiserv is a plus.

General working hours are;
Monday –Friday: 8:00am – 5:00pm
Hours may vary.

If you are interested in the above opportunity and want to join a successful banking team, please send your resume to;
